

Air Freight & LCL Freight Prohibited Items

To comply with Civil Aviation Authority regulations and LCL (Less than Container Load) sea freight safety standards for unaccompanied freight (shipments that travel without the owner), the following items must not be packed in Air Freight or LCL sea shipments under any circumstance.

These rules are in place to protect the safety of Aircraft & Vessels and are not related to Customs or Quarantine restrictions in your destination country.

If prohibited items are included:

- Your shipment may be delayed.
- Additional costs may apply for returning the goods to our depot, unpacking, repacking, re-delivery to the airport or freight depot, and re-screening (including X-ray).

Your Responsibility - As the shipper, it is your responsibility to ensure none of the prohibited items are included in your shipment, prohibited items:

- Batteries - all types
- Items that contain batteries where the battery can't be removed (ie calculator, toothbrush)
- Air Tags – used for tracking (they have batteries)
- Laptops with batteries, batteries to be removed
- Lithium batteries
- All Liquids
