### Acknowledgement and Acceptance

I / we hereby acknowledge that the importation of asbestos or asbestos containing material (ACM) into Australia is prohibited pursuant to Regulation 4C of the *Customs (Prohibited Imports) Regulations 1956* unless a permission or exemption has been granted or a lawful exception applies.

I / we acknowledge that the Australian Border Force (ABF) may hold the goods for examination and require testing and certification by a 'competent person' to ensure the asbestos content is nil.

I / we accept that, the arrangement and cost of any independent inspection, testing and storage of the goods in Australia is the responsibility of the importer/exporter in accordance with Section 186 of the *Customs Act 1901* (the Act).

### Asbestos Free Declaration

I / we declare that, the above referenced vehicle, including any parts/accessories are free from asbestos.

### Please note:

The Australian Border Force (Customs) currently express a zero tolerance policy in relation to imported motor vehicles and cycles regarding asbestos.

Importing motor vehicles and cycles that contain components, including gaskets, brake pads and clutch pads, that include asbestos is prohibited and is a serious offence and may be subject to penalties or prosecution; and may attract fines of up to \$180,000 or three times the value of the goods, whichever is the greater.
